

JULIUS LAHAI - BIO ENGLISH

Julius Lahai mixes great genres and creates with his enjoyable performances unforgettable experiences.

Julius Lahai really used his 15 minutes of success, when he participated as a 7 year old in a television talent show in Liberia. It kickstarted his career as an extraordinary musician and entertainer.

Only five years after his first performance, Julius Lahai toured as a teenager with his own founded boygroup "The Robotics" through Liberia. There he experienced many different music styles, which took influence in his music until today. His first record deal Julius Lahai made in Paris in 1994.

Since then he decided to perform the most of his time in Europe. Today Julius Lahai is not only a musician, he also examined as choreographer, and is a passionate dancer and entertainer. Further he composes all his songs himself in the real and passionate old-school way. In summary you can say, Julius Lahai is a really extraordinary musician, dancer and entertainer, putting all his heart in an performance you'll never forget.

Julius Lahai is presently working on the completion of his second album „WISE-DISCRETE-EXPERIENCE“ which is coming out in summer 2021 – affiliated with JVALP GROUP.
